Shape the Future of the Greater Brazos Region

Invest Greater Brazos (IGB) is the private sector voice for the Greater Brazos Partnership—one of the most unique public/private partnerships in Texas.

In a rapidly growing region, IGB plays an active role in advising, influencing, and molding the economic growth initiatives that will shape the Greater Brazos Region for years to come.

Invest in the Vision

Invest Greater Brazos brings together public and private leaders to drive our community's economic development as one influential voice.

Through strategic committees in **Quality of Life, Workforce Development, Transportation, Real Estate,** and **Policy,** IGB leverages member expertise to tackle our region's most pressing challenges.

Each Leadership Council investor company may appoint one representative to the Advisory Board, providing a direct connection to the Greater Brazos Partnership's executive leadership.

This feedback loop ensures that our members' insights and recommendations are incorporated into strategic decisions, fostering informed leadership that drives our region forward.

By joining Invest Greater Brazos, you become part of a **dynamic network that shapes targeted initiatives and influences broader economic strategies.** Your involvement, whether on a committee or as an Advisory Board representative, drives transformative change and advances our community as a unified voice.
