GBP INTERNSHIP PROGRAM

Overview

The Greater Brazos Partnership internship program offers graduate and undergraduate students a unique opportunity to gain hands-on experience in economic development, business attraction, research, marketing, and public affairs. Our interns work alongside a dynamic team dedicated to positioning the Greater Brazos Region as a global hub for innovation and investment.

Internships are structured to be substantive and impactful. Each intern will contribute meaningfully to active projects and will complete a capstone deliverable that showcases their skills and can be included in a professional portfolio or resume.

Potential capstone projects may include:

- An industry or market analysis report
- A prospecting strategy for a focus sector
- A communications plan or marketing campaign proposal
- A policy brief on workforce development or a topic of current relevance

Program Details

- Semester-long internship (a minimum of 10–12 weeks)
- 12–20+ hours per week, scheduled in blocks of no less than 4 hours at a time
- This is an in-office role based at the Greater Brazos Partnership office
- Interns are required to attend relevant meetings, events, and stakeholder engagements as part of their experience

Who Should Apply

The program is designed for motivated, detail-oriented students who want to build skills in economic development, strategic research, government affairs, and business strategy. Interns will leave the program with concrete deliverables, professional references, and a deeper understanding of how economic development organizations operate at the intersection of public and private sectors.

Application Deadlines

- Fall Internship (September–November): Apply by August 15
- Spring Internship (January–April): Apply by January 15
- Summer Internship (May–August): Apply by April 15
